

Technical drawing of a square flange. The drawing shows a square flange with a central circular hole. The outer square has a side length of 80. The central hole has a diameter of $\phi 9$. There are four mounting holes, each with a diameter of $\phi 8 \pm 0.1$, arranged in a square pattern. The distance between the centers of the mounting holes is 80. The flange has a thickness of 4. The drawing includes a 45° chamfer on the outer edges and a 35° chamfer on the inner edges. The text '4 găuri' (4 holes) and '4 holes' are present, along with the dimension $\phi 9$.
